

The background image shows a group of people in a workshop or classroom setting. In the foreground, a man with a beard and a blue lanyard is looking at a laptop. Behind him, another man is smiling. To the right, a woman is also working on a laptop. The table is cluttered with various electronic components, wires, and tools. The overall atmosphere is collaborative and focused on learning or working on a project.

## *Internet of Things (IoT)*

La Internet de les Coses (IoT) es refereix a una xarxa de dispositius físics, vehicles, electrodomèstics i altres objectes físics que estan incrustats amb sensors, programari i connectivitat de xarxa, permetent-los recollir i compartir dades.
