

A photograph of Neil Gershenfeld, a man with white hair and a beard, wearing a dark jacket, standing on a large blue block. He is gesturing with his hands as if speaking. The background is a dark, industrial-looking space with blue and red lighting. There are other people visible in the background, some sitting and some standing. The overall atmosphere is that of a high-tech, innovative event.

*"Hem tingut una revolució digital, però no necessitem continuar tenint-la."*

*Neil Gershenfeld, Director del MIT Center for Bits and Atoms i creador dels Fab Labs*
