Tinder is the app that made swiping right for love--or a hookup--popular. Since its launch in 2012, the world's most popular free dating app wants you to know that it's changed. They recently added quizzes and profile prompts so that users can swipe (and match) on more than just photos. It's a "rizz-first redesign," they said! And their subscription tiers now include a pricey "Tinder Select" option where, for $499/month, you can send messages to people you haven't swiped right on you and be seen by Tinder's most "sought after
