# Dades Planes

informació senzilla i estructurada típicament recollida a través d'entrada manual, formes simples o entrada digital bàsica. Això inclou dades de full de càlcul, respostes d'enquestes, registres d'inventari o qualsevol informació tabular que no requereixi sensors especialitzats o mètodes de captura complexos. És "clar" en el sentit que és llegible per l'ésser humà, directament interpretable, i no necessita preprocessament o transformació per ser entès
